### The Wetaskiwin Market

Applications for shares in the proposed Wetaskiwin Public Market and Stock Yards Company, Limited, can now be made at the Merchants' Bank of Canada here, or to Messrs. F. B. Linden and S. B. Talbot, at the office of F. B. Linden in the Alberta Block, Wetaskiwin.

Mr. Linden made a business trip to Strathcona and Edmonton on Thursday last, and we are informed, was most in every direction by inquiries respecting the progress of the market project. The real estate agents in Edmonton were all anxious for the latest news as to the organization of the proposed Market Company, and many of them contemplate making our Live Stock Market and Stock Yards one of the big inducements to farmers and ranchers to invest in land in the Edmonton district this coming spring.

Mr. Linden says on every side he was met with encouragement, and many were the prophesies made of the future extensive development of the great north Alberta country by reason of a fair, reasonable, and competitive Live Stock Market being established in the heart's core of the big district. Not one dissentient voice was heard by him, but, on the reverse, the expressions were all highly in favor of our Market and Stock Yards and the immense benefit it will be to all living in the favored radius.

The question now being heard on all sides is "Have you bought any shares in the proposed Market and Stock Yards yet?" If you have not, why not? The price, \$25.00, is within the reach of all, and the investment can not help but prove a first-class and highly profitable one, besides it's up to all to do a little towards providing for their own future prosperity.

Otites do not grow like oats in the Wetaskiwin district, it takes many brains and hands and considerable monetary outlay to build up a prosperous commercial and manufacturing city. One would find it very slow work to construct a comb, but all working together, each contributing its own mite, this does not appear so stupendous an undertaking after all. It is much the same with our town and district at present, one person alone cannot possibly hope to create all the required changes and improvements, industrial enterprises, etc., but all of us shipping in to the extent of the amount we can spare out of our individual pockets, besides a little energy on our parts, we can easily accomplish this object. Therefore let all assist in financing the Market and Stock Yards project, to the extent of their ability, and we will soon find that the Market and Stock Yards will be the forerunner of many other desirable institutions to be established in our midst.

### Church Chimes

The Guild of the Presbyterian church held a very successful social at the home of Messrs. MacEachern and Waterson on Friday evening last.

A short musical program was rendered, Mr. Jenkins giving one of his excellent cello selections, while Miss Barker gave a violin solo. Two interesting contests were then entered into, after a "Mystic Tea" was served.

Thanks are due the social committee for a most enjoyable evening.

Rev. J. H. Bowering will speak on "The Essential Qualities of Christian Character" in the Baptist church next Sunday evening. All cordially invited.

Two weeks ago an appeal was made in the Presbyterian church to raise \$200 by free will offering. Last Sabbath the sum of over \$175 was placed on the plate and the managing board has since collected the amount required from members who were not present. This may be considered a very liberal contribution from a congregation of its size and clearly the church of present indebtedness.

Although it may be hard to understand why this apparent collection has been sent up to us, yet we should remember the blessed words "All things work together for good to those that love the Lord." Again assuring you that we have our sincerest sympathy. Signed on behalf of the congregation O. L. Shaw, Chas. H. Olin, Chas. Johnson, K. Killman, G. Helsing, H. H. Helsing.

BOY WANTED—At once to learn the printing. Apply at The Times Office.

Boys and girls wanting employment call at the office of 10th & McLean, Patengrove block.

### The Bachelor Maids' Ball

When the young ladies of Wetaskiwin undertake to entertain their efforts are always crowned with success, but the ball given in Angus Opera Hall on Friday evening last was the event of the season. It was only an impromptu affair, but a very large crowd was present, and everyone had a jolly good time. The hall was tastefully decorated with patriotic colors, namely, red, white and blue, banding, flags, etc, while the two cosy corners were very nicely arranged with curtains, rugs, settees, cushions, palms, card tables, etc. The patricesses were Madames P. A. Miquelon, D. A. Ward, F. W. Haskell, L. R. Rix and H. J. Montgomery. The music was rendered by Miss Major and all the members took an active part.

Then each member was called upon to give her favorite quotation. As each was given it was freely discussed and thus the different opinions were obtained and at the same time instructive. Lastly a paper on current events was read by Miss Dodgeon.

The meeting adjourned to meet at the home of Mrs. Wallace on the evening of March 12th. The programme will take the form of a debate. Subject, "Resolved that Women's Clubs are not beneficial."

Affirmative, Mrs. Cernille, Mrs. Burgess.

Negative, Miss Major, Mrs. Boistot.

### Alpha Club

The regular meeting of the Ladies' Alpha Club was held last Monday evening at the home of Mrs. Boistot. The minutes of the previous meeting were read and adopted. Then followed the study of the fourth act of Coriolanus. The discussion was very ably led by Miss Major and all the members took an active part.

### McPhee's Big Company

Those who were fortunate enough to gain admittance to the crowded opera house this week, were delighted with the high class performances of the McPhee Stock Co., which gave good plays, acted in a manner much superior to anything seen here for a very long time. Costumes, scenery and orchestra were of a much better class and style than anything we've seen lately here. The vaudeville specialties between acts also are excellent and we can heartily endorse the opinions expressed by everyone present at these performances that return visits from this company will be gladly welcomed and very largely patronized.—Moose Jaw Times

This company will be at Angus Opera House, on Monday and Tuesday, March 12 and 13, and will play "For Home and Honor" and "The Hen of Man."

Fake Wrestlers Exposed

Winnipeg, Feb. 22.—A letter published in the daily press from Most, Berthold, N. D., exposes the methods of an alleged gang of fake wrestlers. Downs, Root, et al., these two being brothers, Downs is a resident of Greenwood, Minnesota. His right name is Al. Haled, but he has a name for every town he visits. He is the chief "fixer," Bert Shore, and a man under the name of "Human Dick," are his associates. The gang operated through Minot until exposed, and have certainly won Winnipeg "easy money." These rascals were in Wetaskiwin a few weeks ago, but found the people here not as "easy" as they anticipated.

Letter of Condolence

To Mrs. Aalgreen.

Wetaskiwin.

The undersigned take this means of expressing their deepest sympathy to you, and assuring you that we share in the great loss sustained in the sudden taking away of your beloved husband and life companion. Pastor Aalgreen is dead, but his work still lives. He was ever faithful and untiring in the performance of his duty, living for others more than for himself, offering up himself in the noble work of leading men to a knowledge of God, and helping man to better his condition and the welfare of opportunity for doing good. His was a grand work, and he was always faithful in the performance of the duties devolving upon him, but he has finished his labors and gone home to be forever with his Master, and to join the happy throng who have gone before.

**Communication**

We do not necessarily endorse the sentiments expressed by this or any other correspondent.

To the Editor of the Times.

Dear Sir:

Believing that the columns of your valuable paper are always open for the discussion of public matters, I crave a little space for the discussion of a matter which I think is of great importance to the farmers of this community.

Farmers, now is your opportunity. The capitalists, manufacturers and traders are organizing to protect their interests, what are the farmers doing? They have and are always complaining; but that is all. Profit is made on what the farmers sell, and profit is made on what they buy. The farmer is the greatest producer, a hard working man and a heavy investor; but where is his profit going? The farmer gets less for his labor and realizes no interest on his investment. Why? Because he is not protected by organization.

A Farmers' Trading Association is now being organized in Wetaskiwin for the purpose of erecting an elevator and chip mill to be owned and operated by the Farmers' Board of Directors and also get a market for grain, stock and other produce, as soon as possible. It is intended to also construct a flour mill in connection. Agents have been appointed in every locality to offer the shares of this association to the farmers. It is therefore to be hoped that they will join this organization, will aid with their support and influence, take shares, and assist the agents to the best of their ability. After \$1,000 is subscribed a meeting will be called and the board of directors elected, the by-laws passed and arrangements made for incorporation. The agents now appointed are C. H. Swanson, Christian Schantz, Frank Kyft, C. Blaten, A. Nordgreen.

**FARMER.**

## DISTRICT NEWS

Gathered by our wide-awake  
Correspondents.

### CAMROSE

A great many Camrose lots have changed hands during the past week. The Camrose people are people who believe in small profits and quick returns. Some however, believe in large profits and quick returns, too.

Mr. D. D. McLaren, our up-to-date watchmaker, has let the contract to Mr. Allen for the building of a new shop. The old office has been moved east and carefully banked and already the frame of the other is up a considerable number from here attended the services of Rev. Phillips.

R. L. Rushton is away on a business trip to B. C.

We are pleased to see the smiling faces of Sims Bros. again in our midst. They returned a short time ago looking halo and hearty. Guess that visit "away down east" did them good.

One day last week when the train arrived at the depot Mr. Wright, our drayman, had his team standing nearby. He left them but a moment to look after some freight, but a moment was all it took for them to turn around and dash off with Mr. W. hot on their trail. Now, Mr. Wright is not built for running but he "went some" just the same. The team was stopped at their stable door and no damage was done to either the wagon or team.

Mr. Dinning passed through on his way to Dayland last week.

Mr. McLean has been rehiring. Mr. Dinning at Dayland of late but we are pleased to see him in our midst again.

A large number took in the entertainment given by the New Salem Methodist church, Skafes, last night.

A large number was present and the program was one of the best. Skafes people know how to put on a good entertainment, we feel sorry for them, think of a lively bunch like that having to live in such a small place.

What is this we hear about some of the boys getting lost in the woods?

"Oh, well, the roads were pretty muddy and besides they were thinking of nice things."

Mr. S. Laubert, shoemaker, has had his building moved across the street. It is a much better location on the east side of the street.

Mr. H. Fucarri paid a flying visit to Pretty Hill last week.

He got back the same night, but very, very late.

Mr. Archie Brown has moved his goods out and is now running a store near Sedgewick. Mr. Brown will be greatly missed in Camrose, but our loss will be Sedgewick's gain.

A light fall of snow came one night last week but it is almost out of sight now.

Mr. Thompson and Charlie Peterson drove to Wetaskiwin last week. Charlie hasn't returned yet.

Lara Larson is getting all things in readiness for the building of a new house beside Thompson & Dahl's building. Mr. Larson intends putting up a good up-to-date building. He will have his shop in the lower part while his wife will do the cooking and sweeping.

**WEAK AND TIRED**  
Many women there are that get no refreshment when they went to bed.

The weak pass the night in the head, the heart, the lungs, the kidneys, the liver, the weak and worn out, and the lig. (best) household duties during the day seem to be a drag and a burden.

### PENRON PARK

Miss Beatrice Boyd visited with  
parents at Willow Nook on Sunday.

Even Jeannie, the enterprising young  
canoeist, and also a bachelor, is just  
waiting for spring, for the swallow to  
homeward fly.

Mr. J. H. Feo is helping R. E.  
Jenne to move his effects to Rosenroll  
this week. Mr. Feo is also waiting  
for the voice of spring, just think of  
what pleasure it will bring.

Mr. Iver Kjell has made vast im-  
provements in the Park this winter in  
the way of building a grand house  
and barn. D. H. is staying at this.

He went quietly away and brought  
home a brand new bride. Miss Is-  
abella Shaw was the lucky person.

Miss Shaw taught in Wang school  
one term and it all goes to show she  
made friends while there. She is ac-  
complished in every respect. They  
were married the 23rd Feb. The good  
wishes of all go with them, and may  
they never come a ripple on the car-  
rions of events.

Frank Atkinson has just purchased  
the east of section 12-47-23 from  
Meurs, Chas. Fred and Anderson.

We understand it is Mr. Atkinson's

intention to go into fruit growing and  
will set out a large number of trees  
this spring.

### ROUND HILL

It looks like old times to see two  
Bruce around again as he was laid up  
for a long time with his leg, but  
thanks to Dr. Stewart's able hand he  
is most well now. You will have to  
grin and bare it for a short while yet.

On the 9th, to Mr. and Mrs. Tom  
Lawson, son. Mrs. Law has been very  
sick for the last few weeks. Dr. Stew-  
art has been out three times to attend  
to her but we hear she is now conva-  
lescing.

To Mr. and Mrs. Reed Tedrick a  
daughter on the 18th, mother and  
daughter doing fine.

We hear Mrs. Win Carruthers is

poorly the last week and had to see  
the doctor, we hope to see her around  
soon.

Mrs. Geo. Bruce is under the doc-  
tor's care, we hope to see her all right  
soon.

Mr. Fred Tedrick is improving his  
place by building a nice log house.

Mr. Carruthers is finishing the house  
for him as he intends to move in as  
soon as possible.

Mr. Keith is back from his east-  
ern holidays looking fine. He says  
he would not live down east if they  
gave him a farm. How is that for  
Alberta. Sorry to hear his health took  
so bad and could not come back  
with him. Hope she will gain strength  
to come up in the spring as Alberta  
is the place.

Fred and Alberta are looking sides  
for a house keeper nowadays.
